NaviNet Claim Disputes Status Check Update

Summary: At the end of 2025, **AmeriHealth Caritas Next/First Choice Next** and NantHealth|NaviNet expanded the functionality for the submission of disputes regarding claim issues and supporting documentation to include the capability of viewing the status of the dispute and a copy of the determination letter. This notice is to advise providers of a change in the search fields under the Check Dispute Status functionality.

The process for viewing the status of a previously submitted dispute has not changed. Providers will continue to access *Forms and Dashboards* and select the **Check Dispute Status** link.

The update is the addition of a **Payee ID** dropdown to the search data elements. **Effective February 19, 2026**, providers will be required to search by selecting the Payee ID (the plan specific provider or group ID the claim is being paid to, in box 33 of the CMS-1500 claim form), from the Payee ID dropdown AND one of following data elements:

- Claim ID OR
- Member ID OR
- Submission Date Range

The addition of the Payee ID allows our system to better filter the claim status results to help ensure the most accurate response to your search.
