

Provider Network Account Executives

AmeriHealth Caritas Next appreciates provider inquiries. Based on your region, please choose from the email addresses below. To help us identify the appropriate team member to connect with you, in the body of the email, please include the practice name, your NPI#, and the physical address of your practice. Include any additional details in the body of the email.

The below email boxes are **unable to receive protected health information (PHI) and/or secured messages.** A provider network account executive (AE) will respond within **two business days.** At that time, additional PHI can be shared in a secure environment. For inquiries after business hours, contact Provider Services at **1-855-266-0219.**
